Congratulations to the Consumers and Staff of the ARC Work Center!!

Our Work Center Program which provides paid work for consumers through a variety of industrial sub-contracted work recently met ISO requirements to be RECERTIFIED for 3 years. These standards must be achieved in order for ARC to secure these jobs for the consumers.

The ARC has achieved the upgraded standards for ISO 9001:2008. The Work Center consumers and staff continue to meet or exceed the standards set by our Quality Management System. The Quality Policy is posted in the ARC reception area.

Special Education Advocacy
Changes Starting this Fall!

The ARC has made some changes concerning our Special Education Advocacy program for the upcoming school year. However, consumers will be asked to sign an advocacy agreement as we have moved to a pay for advocacy agreement. There will also be a volunteer agreement for those who are experiencing financial hardship.

As many of you know, we now have two special education advocates; Laura (Eckenrode) Gressinger and Sue Lind. Both advocates will continue to provide exemplar services to our students receiving or in need of receiving special education services in Macomb County. Please contact either Laura or Sue Lind at 586-469-1600 for more information.
